

Frequently Asked Questions – Champagne Condominiums

Community Manager: [Silvia Gregory](#)

1. Why do I pay monthly maintenance fees and when are they due?

The Association is responsible for maintaining and facilitating the business of the community. Each year the Board of Managers establishes a budget for the year's expected expenses. The Association pays for all utilities and maintenance of the common areas. The Association also pays for the exterior building maintenance, grounds maintenance, and trash removal. Other expenses include administrative services such as legal counsel, collection of delinquent accounts, accountants, and management. The Reserves are also funded out of the monthly maintenance fees, and the Board makes monthly contributions to these saving accounts for capital expenses. You may request a more detailed copy of the current year's budget in writing from management. In your request, please include your name, address, and the name of your Association. **All maintenance fees are due on the first of each month and are late if received after the 10th of the month. Late payments are subject to additional fees and collection procedures.**

2. Can I have my maintenance fees automatically deducted from my checking or savings account?

Yes. Arrangements for automatic payments may be made by contacting management for the necessary form (or printing from www.westwindmanagement.com). The Association encourages payments through electronic funds transfer. When you sign up for this type of payment you will save yourself time and the worry of mailing your payment on time.

3. Do I need approval to make an exterior change?

Yes! The purpose of the approval is to protect the integrity of the community and your property value. Any exterior change including the installation of a satellite dish requires written approval from the Architectural Control Committee. Even the replacement of an existing exterior item requires written approval. You may also be required to obtain any necessary permits and / or file a restrictive covenant agreement with the county. Failure to obtain approval is a violation of the

Association's rules. You may be required to return the property to its original condition and / or be assessed a fine. Contact management for the appropriate form.

4. When is the Annual Homeowners' Meeting?

The Annual Homeowners' meeting is traditionally held in March of each year. A notice of the meeting date, time and place is mailed to each owner approximately thirty days in advance of the meeting commencing. A proxy will be included with the notices for owners who are unable to attend. If you are unable to attend the meeting, please fill out the proxy allowing another member to vote on your behalf and return the completed proxy to management. The Association suspends the voting rights of any member who is delinquent in the payment of maintenance fees.

5. When does the Board meet?

The Board meets on the third Thursday of each month in the Willowridge community clubhouse at 5:00 p.m. The clubhouse is located next to the pool. Homeowners are welcome to attend these meetings to observe the business proceedings of the Association. The Board does allow each home five minutes to address them at the beginning of each meeting with questions, requests, and concerns. All questions, requests, and concerns may also be mailed to the Board of Directors in care of Westwind Management.

If you need to dispose of any large items, please contact management for the name and phone number of the waste disposal company to make arrangements. Large items will not be collected unless proper arrangements have been made. Please note that holidays may delay trash collection by one day.

9. What should I do if I am experiencing a problem with a neighbor?

The Association requires all concerns regarding neighbors be placed in writing including the address of the home, as well as your name and address. Typically, the Association will issue a letter to the owner making them aware of the problem and a request to resolve the matter. In most cases, your identity will remain anonymous. The Association does encourage owners to contact the police in cases of noise or safety concerns. Owners may also contact code enforcement or animal control for persistent problems.

10. What should I do if I receive a violation letter?

If you receive a letter notifying you of a rule violation associated with your home, you will need to correct the violation within the allotted time frame given in the letter. Any questions or requests for clarification of the rules should be directed to management. Violations that are not corrected may lead to the assessment of fines and / or lead to legal action by the Association. The rules exist to protect harmony within the community.
