

Frequently Asked Questions – Lowry Village II

Community Manager: [Lisa Spriggs](#)

1. When will the snow removal company remove snow?

The snow removal company will remove snow after 2" of accumulation on sidewalks and 4" of accumulation in alleyways.

2. What is the policy for snow removal on public streets?

The City of Denver is responsible for plowing the public streets, however, the City has a priority listing for snow removal and Lowry Village II is so low a priority that the public streets have never been plowed.

3. When does the lawncare company begin and how often will they mow?

The lawncare company begins mowing every two weeks in April. Beginning in May, they will mow once a week. Through September and in October, they will mow every two weeks.

4. Does the lawncare company aerate?

Yes, once in the spring and once in the fall.

5. Does the Association water the lawns during the winter?

The Association does not water the lawns during the winter as the underground pipes may freeze and break. Homeowners with south facing lawns should hand water their lawns and trees in periods of warm weather. During fall and winter months, the city does not allow hand watering of the turf areas.
